

Fiduciary Services

Individual Fiduciary Services

Formed in 1993 as a subsidiary company of "Verwaltungs- und Privat-Bank Aktiengesellschaft" IGT specializes in the formation of Liechtenstein companies and acts as an intermediary for companies in other jurisdictions.

Are you looking for an ideal solution to succession arrangements or do you have questions relating to the protection of your assets?

The services we provide are designed to supplement the private banking services of the VP Bank Group and to devise solutions for your private asset structuring. As a result, we offer you the advantage of trust and banking services from a single source.

Acting as an intermediary, we establish and manage corporate structures such as the:

- Foundation
- Trust
- Establishment
- Joint stock company
- International Business Company (IBC) in the British Virgin Islands, Anguilla and the Marshall Islands

Liechtenstein's legal framework conditions for companies are contained in the Person and Company Law (PGR) and in the Law Concerning the Trust Enterprise.

Our Services

-
- Formation and administration of foundations, trusts and companies in accordance with Liechtenstein law Advice regarding estate and succession arrangements in connection with asset structures
-
- Acting as an intermediary for companies in other jurisdictions, especially in cooperation with the VP Bank subsidiary company in the British Virgin Islands (BVI)
-
- Assumption of Board of Directors and Foundation Board mandates
-
- Carrying out of any administrative duties which arise

Why IGT?

Along with our fiduciary services, we also provide you with selected banking services – all conveniently provided from the same operational site in Vaduz.
