

Investment Financing

Ensure your competitiveness

Is it your desire to invest in your company in order to position it successfully in the global competitive arena? We support you with tailor-made financing solutions.

Our financing of capital investments enables you to expand your plant and equipment base so you can achieve competitive advantages. In this way your company, be it small- or medium-sized, can respond to business challenges flexibly and at any time.

You determine your needs for additional funding as well as plan the payout times and amortization schedule for the commercial credit. We see to it that the regular drawdowns are plannable and adapted to your needs for liquidity.

An overview of capital investment financings

- Up-front determination of repayment schedule
- Fixed-term credits
- Floating, fixed or rollover-based determination of the interest rate

Why VP Bank?

As the commercial bank for many small- and medium-sized companies in Liechtenstein and Switzerland, we are highly aware of your entrepreneurial challenges. We support your company from day one and help you to grow it successfully.
